

A woman in a white wedding dress stands in the doorway of a stone building at night. The building has a rustic stone facade with several windows, some of which are lit from within, showing warm interior lights. The entrance is framed by a stone archway. Two wooden benches are positioned on either side of the doorway. The scene is illuminated by warm interior lights and a small outdoor light fixture above the door.

The most intimate wedding venue in the Dales!

The logo for Hazel Brow features a stylized white tree with a curved branch and leaves, set against a dark background.

The Ceremonies we offer

Our civil ceremony license covers holding a civil marriage and the registration of a civil partnership. We can currently accommodate up to 30 guests at our ceremonies, depending on Government restrictions. Call us for up-to-date guidelines.

Release your imagination!!

We pride ourselves on delivering flexibility and diversity. So you can throw convention out of the window, as long as it's legal!

We're here to help you – as little or as much as you'd like. This is your day – you could have a wedding breakfast at breakfast time or an exclusive and exquisite evening dinner. Or, stick to convention with a traditional buffet or sit down meal.

Whatever you choose, our fantastic catering teams can help you plan your special event. We can recommend local suppliers or you can enlist family and/or friends to team up and make the day your own. The house and garden are at your disposal. You can even theme it! Just make it you're own.

Wish to stay over?

The joy of spending the night here before your wedding is that you can relax by the fire with your close family. Share past memories before setting out to make a whole set of new ones!

On the big day you're already here! No cars to organise or weather to brave, just your nearest and dearest beside you. And after the day, no rushing away. Stay as long as you like...

Dogs & other practicalities

The inclusion of your 4 legged friend is a must for many seeking a country wedding, we are dog friendly - just remember that you have to clean up after them.

There is ample parking for extra cars in the field below the house. Please do not park on the road side. Fireworks are not permitted but sparklers are fine. As we like to keep Hazel Brow idyllic, we ask you not to play loud music outside and to be respectful of those in neighbouring properties, also please use biodegradable confetti.

Quick itinerary checklist

1. Book Hazel Brow
2. Book the Registrar
3. Choose your Ceremony room

To help you tailor your event, we've licensed three rooms.

For a really relaxed setting, you can book the sitting room or the dining room if you want to be more formal. Or, if you want the ceremony to take place on the patio outside with just the legal bit indoors, you can use the hall.

4. Choose your guests
5. Select your catering

We have some great catering companies and a gastro pub on the doorstep so you couldn't be in a better location. We are famous for Swaledale Lamb, and gorgeous cheeses. Whatever you're looking for, we can recommend the crème-de- la-crème of local catering companies.

6. Book your photographer

Choose your own, or we can suggest one or two special talents used in the past!

7. A little soft music

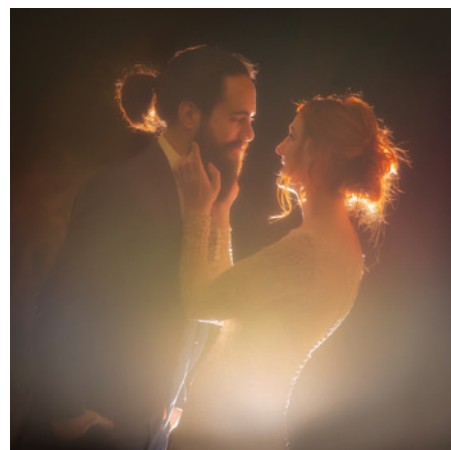

Select your own collection and bring it in! There is nothing wrong with some cool sounds to add to the ambience!

8. Decorative touches

Why not bring some fairy lights or lanterns? We are happy to bounce ideas!

9. You're ready to go!

Get married, celebrate, enjoy the day, and recuperate!

Legalities on Ceremony arrangement
