“The house was a perfect venue for our relaxed wedding celebrations and we and our many guests agreed that the glorious setting played a major part in making the whole event very special.”

All You Need In One Special Place

Set amidst the outstanding scenery of the Yorkshire Dales, Hazel Brow provides the perfect venue for an intimate, relaxed, bespoke celebration.

Hazel Brow hold a civil ceremony license and offers exclusive use of the house and grounds. The house can accommodate 25 for a wedding breakfast, 35 for a buffet reception, and up to 60 guests with an additional marquee and portable washroom. There are also 8 beautifully decorated bedrooms should you and your guests wish to stay over, meaning there's plenty of time to relax and get ready and no need to rush off after the big day.

If you're looking for romantic seclusion in a quiet, peaceful location with glorious views across the countryside then Hazel Brow is the perfect venue. Ideal for treasured time together, creating memories that will last a lifetime.

The House

The house was built in the 18th century and has plenty of history and character. There are several communal areas inside including a large dining room, living room, and cosy snug all with open working fires. The well equipped kitchen and pantry mean there's plenty of space for the caterers and team to do their stuff, whilst there's an additional room leading off the snug with easy access onto the patio which guests often like to double up as a bar. The Eight bedrooms are tastefully decorated and have beautiful views of the grounds and surrounding countryside, with a mixture of ensuite and family bathrooms. Most bedrooms can be made as a double or twin upon your request.

Outside there are several landscaped and patio areas leaving plenty of space to gather and create those special memories, Early check-ins and late checkouts can also be arranged subject to availability.

“The house itself is a delight to look round and the four poster bed sold it for me with every detail in my bedroom surprising me the longer I spent in there. The free standing bath was just beautiful and really gave me that sense of luxury.”

Testimonials

“The house and garden provided a perfect spot to savour views of Swaledale. Just beautiful! Although an incredibly grand house, we found it homely and comfortable and very easy to relax in. A large part of this was due to the lovely Cath who had been so accommodating to my particular requests throughout the booking stages, and who then welcomed us warmly and set the restful tone for the week’s stay.”

“The house and surrounding gardens/countryside are beautiful and it was perfect for a large gathering.”
